PROJECTS

[Devconnect ↗](#)

Apr 2026

AI-powered career development platform that helps users build professional portfolios, analyze and improve resumes, get personalized job matches, and practice mock interviews with real-time feedback. The platform integrates all stages of the job preparation process into a single, user-friendly system to enhance employability and interview readiness.

SKILLS

- | | | |
|--------------------|-------------------------------------|------------------|
| • HTML | • CSS | • JavaScript |
| • React | • Node.js | • Express.js |
| • Machine Learning | • Natural Language Processing (NLP) | • LLM evaluation |

EXTRA CURRICULAR ACTIVITIES

- Built multiple full-stack projects using React and Node.js
- Actively learning AI tools and modern web development

ADDITIONAL DETAILS

- Built and deployed a full-stack AI-powered career platform (DevConnect Pro)
- Designed and implemented resume analysis and job matching system
- Hosted live project using Vercel, Render, and MongoDB Atlas
